<input type="checkbox"/> Support: e.g. training, maintenance:	
<input checked="" type="checkbox"/> Other:	Service

## Particularities of the company

- Production by KSB AG Germany,
- well trained employees
- KSB is certified ISO 9001,14001,OHSAS18001,
- KSB's low specific speed submersible agitators type Amaprop, which have for years proven their worth in waste water treatment applications, are increasingly being used in biogas installations. The reason for their popularity is the relatively low energy consumption compared to high specific speed units with small propellers.
- minimizing of "tea cup effect",

## Realisation / Reference

Number of Realisations:  in Austria  in Europe  International

Location (City, Country)	What was realised?	Size of plant	Year
