

**Workshop**  
**Facilitating biogas projects in most promising sectors**  
**12 | 02 | 2009 - Brussels**

**Slides presentation**

Strategies and tools for facilitating the up take of biogas plants in various European regions; improved acceptability of plants; holistic project development approach with manifold benefits of biogas plants; sectors of agriculture, agro-food and municipal organic waste management addressed, good success with implication of major stakeholders. Make available strategies, actions and tools to facilitate new biogas plants; present know-how transfer from advanced to promoting regions; biogas creates new business opportunities; addressed to stakeholders from agricultural, agro-food and organic waste sector; civil servants from local authorities, territorial and economical development agencies.

**Biogas a mature and promising technology**

**Speaker:** Bernd Krautkremer, ISET

**Download the slide**

**Promoting biogas in Eastern and Southern Europe**

**Speaker:** Dominik Rutz, WIP

**Download the slide :**

[www.biogasregions.org/doc/conf\\_12fev2009/EUSEW09\\_Biogas\\_Rutz.pdf](http://www.biogasregions.org/doc/conf_12fev2009/EUSEW09_Biogas_Rutz.pdf)

**New integrated solution for disposal of household food waste to enable decentralised production of energy**

**Speaker:** Piero Rusconi Clerici, Ecofast Italia S.r.l.

**Download the slide :**

**Biogas in dialogue - support acceptance**

**Speaker:** Wolfgang Baaske, Studia

**Download the slide :**

[www.biogasregions.org/doc/conf\\_12fev2009/EUSEW09\\_Biogas\\_Baaske.pdf](http://www.biogasregions.org/doc/conf_12fev2009/EUSEW09_Biogas_Baaske.pdf)

**Conclusions**

**Speaker:** William Gillett, Executive Agency for Competitiveness and Innovation
